MISSION STATEMENT

Sel-Tek Ltd's purpose is to act as representatives for Original Equipment Manufacturers (OEM's) to the semiconductor and related industries throughout Europe. Sel-Tek Ltd's Philosophy is to continue offering first class marketing, sales, installation and service on all of the principal's equipment. Our goal is not only to maintain established ranges but expand upon them, competing by way of improved support and new cutting edge designs. The company is proud of its "commitment to customer care" motto.
